Suggestions:

Have a sign-up before you pay a deposit.

You do not have to give us camper names until you arrive, so this will be to give you the number of people to sign up for only.

Some churches require children pay a deposit at sign-up, this is up to your church. Your church will have to pay us a not refundable or transferable deposit of \$35 for each slot they reserve to confirm your reservation.

Ask parents to sign up one child per line to avoid confusion about grades/sizes.

Notes:

You do NOT need to turn this form in to us. It is simply a resource for you in your planning.

A line has been left at the bottom of each sign-up for you to makes notes in. Helpful notes might include: deposit paid: y/n, balance paid: y/n, medical form complete: y/n.

Feel free to modify this form to meet your needs by copy and pasting it into your word processing program and editing. You may want to add the notes mentioned above or space for the parent's address/e-mail address for you to send reminders.
