

Chaperone Approval Form

(Due 2 weeks before arrival)
(can be e-mailed or mailed)

In an effort to keep all of our campers safe in this fallen world, we require all adults on property during a camp session to be background checked. Each church is responsible for checking their own chaperones. There are many ways to do this, and if you already have a system in place that is great.

If you do not have a system in place, we recommend Lifeway Background Checks.

This Chaperone Approval Form should be filled out by a pastor at your church or the chairman of the deacons. By signing this form that person indicates that they have seen a background check on each chaperone listed on this page and that they find them qualified to be a chaperone for the children and/or youth of your church for a camp session. We do not need to see individual background check, but we recommend that you keep them on file at your church.

Adults not listed on this form will NOT be allowed to stay on campus with your group. The only visitors admitted during a camp session are pastors of the churches participating that week.
